Are you a Carer?

You may not see yourself as one, but if you are looking after someone – whether it be an adult or child – who fits one or more of the example descriptions below, then you are a Carer.

They:

- are elderly and frail
- are physically disabled
- have a learning disability
- have mental health problems
- have a history of substance misuse
- have a long term health condition
- have a sensory impairment

Did you know that there is a range of support available to you, which will help you look after yourself as well as the loved one you care for?

How can we help you?

Carers Trust provides a range of support and services which can be accessed via the Carers Hub – funded by Reading Borough Council, West Berkshire Council, North & West Reading CCG, South Reading CCG and Newbury & District CCG.
